Owner Checklist

Below you will find a checklist to ensure you are well prepared for our visit:

Plan Ahead

1. Call your vet ahead of time to inform them that you are away and should there be an emergency, as to the actions you wish for them to take.
2. Have labelled (name/date of birth) supplies of pet food if your dog needs feeding during the stay
3. Be sure all pets are wearing their collars with identification.
4. Put our number in with your travel documents so that if you are delayed, you can let us know.
5. Ensure your emergency contact knows we have their number.
1. If any of the daycare fees are outstanding, please ensure that this is brought with you.
6. It may be advisable to include a piece of clothing that has your smell on should you be concerned about your dog having separation anxiety.
